

X Conference of Young Scientists "Problems of Theoretical Physics"

Monday 23 December 2019

Physics of Biological Macromolecules: Physics of Biological Macromolecules - 322 (14:00-15:45)

time	[id] title	presenter
14:00	[50] Epigenetics: "read" between DNA lines	Mrs SHESTOPALOVA, A.V.
14:45	[38] Competitive interaction of hydrogen peroxide and water molecules with DNA recognition sites	ZDOREVSKYI, Oleksii
15:05	[39] Low-frequency vibrations of water molecules in the hydration spine of DNA minor groove	Mrs BUBON, Tatyana
15:25	[23] Influence of the cell wall on cyanide destruction by bacteria in the model of respiratory mechanism	Mr YAKOVLIEV, Vladyslav
