

# X Conference of Young Scientists "Problems of Theoretical Physics"

## Monday 23 December 2019

### Statistical Theory of Many-body Systems: Statistical Theory of Many-body Systems - 322 (16:05-17:25)

time	[id] title	presenter
16:05	[48] Transverse energy transfer by Alfvén waves in toroidal plasmas	Mrs TYSHCHENKO, M.H.
16:25	[1] The influence of the three-particle interaction on critical phenomena of the Bose-Hubbard Model	Mr KRYVCHIKOV, Oleksii
16:45	[7] Towards understanding of condensed matter via study granular systems	Mr SPIVAK, Andrii
17:05	[24] First passage time distribution for spiking neuron with fast inhibitory feedback stimulated with renewal stream	Ms SHCHUR, Olha
